- There are no make up dates. One race constitutes a series. Low point scoring system. No throw outs. Boats starting but not finishing within the time limit will be awarded one more point than the number of boats that finished the race within the time limit, boats that did not start will be awarded the lesser of one more point than the number of boats starting or two more points than the number of boats finishing the race within the time limit. This is a change to rule A2.
- We will have two courses to choose from, a table of start times for each course for 6pm and 7pm starts are included below. The course will be the same for all fleets.
- Boats may declare spinnaker or non-spinnaker for each race (you do not have to declare spinnaker/non-spinnaker for the entire series). Add 18 seconds for non-spinnaker to your handicap.
- We will two fleets: “A” Fleet is for sport boats. “B” Fleet is for non sport boats.

- To encourage participation of new racers, awards will be presented to the boat(s) with the lowest series point total that race with “new to racing” helmsmen for 95% of each race in the series. A “new to racing” helmsman (male or female) is defined as someone with less than 25 races at the helm on any sailboat. You do not have to have the same helmsman for each race or the entire series. - Changes to the race notice will be posted on the DCYC website and the DCYC bulletin board under the stairs two hours prior to any changes taking affect.
- All marks are to be rounded to port
